EXPERIENCE

Gloitel Consulting Pvt. Ltd. | Front-End Developer

Raipur, India | April 2022 - Present

Working as a Front-End and React Native Developer, building dynamic and responsive user interfaces using React.js, Next.js, TypeScript, HTML, CSS, and SCSS. Also developing cross-platform mobile applications with React Native and Expo, ensuring smooth performance and a seamless user experience through close collaboration with designers and backend developers.

StaffCloud Services Pvt. Ltd. | E-Commerce Associate

Gondia, India | March 2021 - March 2022

Manages product listings, updates website content, and enhances the online shopping experience through custom UI/UX improvements. Contributes to marketing efforts and collaborates cross-functionally to ensure smooth operations and customer satisfaction.

Computech Care | Wordpress Developer

Raipur, India | September 2020 - March 2021

Designs and develops various websites with a focus on custom UI/UX, functionality, and user experience. Collaborates with teams to resolve issues, implements updates, and ensures optimal site performance and security.

BlueChips Solutions | Frontend Developer

Raipur, India | Jan 2020 - July 2020

I completed a 6-month internship in frontend development using Django, building responsive interfaces, integrating templates, and optimizing UI. This enhanced my skills in HTML, CSS, JavaScript, and teamwork.

PROJECTS / OPEN-SOURCE

Fitbattle | [Link](#) *Next.js, React Native CLI, TypeScript, Tailwind, React Query, SEO, JSON-LD, Ant-Design*

- * Led the development of the admin panel, including competition management, participant workflows, scoring systems, and video review modules.
- * Contributed to core mobile app features and built reusable UI components for a smoother user experience.
- * Implemented SEO improvements using performance optimization techniques and JSON-LD structured data.
- * Ensured a scalable, maintainable architecture with clean UI interactions and efficient data handling across the platform.

NashaMukti | [Link](#)

Next.js, React Native, Expo, TypeScript, Tailwind, React Query, i18next, MMKV

- * Developed the complete mobile and web platform focused on therapy sessions, assessments, and user progress tracking.

- * Implemented multilingual support using i18next, enabling dynamic translation across screens and user flows.
- * Built reusable UI components, audio modules, onboarding steps, and form-based interactions for a smooth user experience.
- * Used MMKV for fast, secure, and persistent local storage to manage user sessions, preferences, and cached data.
- * Optimized SEO for the web platform, including meta tags, structured data (JSON-LD), and performance improvements.
- * Integrated secure API communication, state management, and dynamic content rendering using React Query.
- * Delivered a clean, scalable architecture with strong focus on UI/UX, performance, and maintainability.

Path IAS Academy

Next js, React js, HTML, SCSS, Tailwindcss, Shadcn,typescript

- * Built dynamic and interactive components using React.js, enabling smooth navigation and seamless user interactions across the platform.
- * Translated design mockups into high-quality, responsive UI components with pixel-perfect accuracy.
- * Collaborated with the UI/UX team to maintain visual consistency and deliver an intuitive, user-friendly interface.
- * Focused on front-end performance and usability to enhance the overall user experience.

Experteeth Dental Care

Next js, React js, HTML, SCSS, Bootstrap, Swiper js

- * Designed and developed a dynamic, responsive user interface using React and Next.js for a modern dental clinic website.
- * Utilized SCSS for modular, maintainable, and visually consistent styling across all pages and components.
- * Leveraged Bootstrap to speed up development with pre-built components and responsive utilities, ensuring mobile-friendly layouts.
- * Integrated frontend components with backend APIs, collaborating with backend developers to ensure smooth data flow and reliable functionality.
- * Focused on creating a clean, user-friendly UI to enhance patient experience and overall site engagement.

CERTIFICATIONS

- Participated in MATLAB Workshop - by IEEE.
- Machine Learning - Techienest Pvt. Ltd. association with AAVRITI.
